**WOMEN
ARE POWERFUL
CREATURES**

**SOME OF US
JUST DON'T
KNOW IT**

LIKE A KITTEN is a woman-owned and operated business headquartered in Alexandria, Minnesota. The company was born as a fun and creative way to empower women to own their bodies and to be strong in all aspects of their lives. Because women will never truly be equal to men until female sexuality is respected and women are not held to the sexual double standard – the belief that boys and men are rewarded and praised for sexual contacts, whereas girls and women are derogated and stigmatized for similar behaviors.

Furthering their cause of female empowerment, the company donates a portion of all Like A Kitten sales to charities and causes benefiting women and girls.

You can help empower women and grow the Like a Kitten movement by [#mainstreamingmasturbation](#).
